M8 Telecom Statement on Customer Service Standards

INTRODUCTION

M8 Telecom aims to provide a high level of customer service including the handling of complaints. This statement outlines M8 Telecoms procedures for the handling of customer complaints in relation to our products and services.

It sets out our current complaint handling policy, which is compliant with the ACIF Industry Code on Complaint Handling.

YOUR LEGAL RIGHTS

Nothing in this Statement of Customer Service Standards limits or detracts from your rights under the Standard Terms and Conditions, the Telecommunications Act, the Trade Practices Act or any other laws.

You do not have to follow the complaint handling procedures in this Statement. You are always free to take independent action to enforce your rights.

However we believe that our complaint handling procedures will provide a quick and effective resolution of your concerns and difficulties.

Providing customers with easy access and a point of contact to lodge a complaint is a fundamental element of our overall complaint policy.

Each person you deal with at M8 Telecom Customer Service will identify himself or herself so you know with whom you are speaking.

Our objective is to resolve the vast majority of enquiries and complaints during the customer's first call. Our Customer Service Representatives have the training and authority to deal with most of the problems or enquiries, which customers may have "on the spot".

Senior management will stand behind agreements reached with customers by our Customer Service Representatives.

It may not always be possible to resolve a complaint on the first call, for example, because records have to be reviewed or enquiries made with M8 Telecom dealers or staff. Our objective is that complaints that cannot be resolved during the first call will be resolved within the timeframes agreed with the customer.

To provide a check on the handling of complaints M8 Telecom supervisors will:

- Randomly check records of complaints received by the Customer Service Representatives to ensure that a solution satisfactory has been reached
- Call back a cross section of customers to discuss the handling of the complaint by M8 Telecom, with a view to understand how we can do better; and
- Review all complaints, which have not been resolved within our timeframes and determine what action is needed to resolve those complaints quickly.

HOW TO APPEAL TO M8 SENIOR PERSONNEL

If you are not satisfied with the way in which the Customer Service Representative has handled your complaint, you can request to be transferred to a supervisor. Where you have raised a matter with a supervisor, he or she will aim to resolve the complaint as soon as possible and within timeframes agreed with you. The supervisor will deal with you personally and not pass messages through other staff.

If you are dissatisfied with the supervisor's handling of the complaint you can request that the complaint be reviewed by a more senior M8 Telecom personnel.

COMPLAINTS IN WRITING

M8 Telecom prefers to deal with complaints and enquiries by telephone as this usually allows a quicker resolution. **However if you wish to lodge a written complaint you can forward your correspondence to:**

**M8 Telecom
Customer Service
Locked Bag 7750
Chatswood NSW 2067**

A verbal or written acknowledgement will be made within five working days after receiving your letter with a time frame for investigating your complaint and when you can expect us to get back to you.

TAKING APPEALS OUTSIDE M8

M8 Telecom believes that its internal appeal process will provide the most effective and quickest way to resolve complaints. If you are not satisfied with our review of your complaint, or with the way in which we have handled the complaint, you can ask the Telecommunications Industry Ombudsman (TIO) to assist.

You can refer a complaint to the TIO at any time. You do not have to go all the way through the M8 Telecom review process before complaining to the TIO. You should note, however, that the TIO service is intended as a "last resort" for telecommunications subscribers with complaints. The intention of the scheme is that we try to settle the issue before it is taken to the TIO. If you believe that any complaint raises wider telecommunications policy issues or is outside the jurisdiction of the TIO then you may wish to raise it with the ACA.

To lodge a complaint with the TIO you can call on 1800 062 058 or write to -
